Facts About Redfern Corsets

If every woman realized that a good corset is the basic principle of fashionable appearance we'd sell more Redferns than we do. In short, we wouldn't be able to supply demand. Fact is, good dressers nearly all wear Redfern Corsets, because they realize that they give the figure that perfect fashion contour which is absolutely necessary to a handsome form. Redfern Corsets are the best corsets for you to wear because they are made as they ought to be made—of the best materials and by the best labor; because they have that symmetry and grace found in no other corset, because they are the most comfortable and healthful. There are other reasons why you'll like the Redfern. Come in and let us show you. We are headquarters for these celebrated corsets. Prices \$3.50 to \$15.00. (Second Floor—Seventh Street.)
